

FELLOW COMPLIANCE TRAINING

1. Required Modules

The following on-line training is **MANDATORY** as part of the Orientation process.

Please fax all certificates to the GME Office (FAX # 412-647-5809) to confirm your compliance for completion of these educational modules.

- (a) “Understanding & Preventing Sexual Harassment”:
www.newmedialearning.com/psh/pitt (you should allow approx. 40 mins. for this training module.)
- (b) HIPAA TRAINING: www.upmc.edu/ccehs (follow link to HIPAA Privacy Awareness)
- (c) Hand Washing Hygiene: www.upmc.edu/ccehs (ALREADY COMPLIANT IF ATTENDING ORIENTATION.)
- (d) CLABS (Central Line Associated Blood Stream Infections: www.upmc.edu/ccehs (ALREADY COMPLIANT IF ATTENDING ORIENTATION.)
- (e) If you have not all ready done so, please read and sign the **CONFIDENTIALITY FORM** on the next page of this Orientation manual. You should give this to your coordinator to keep on file in your department. Internal Audit may require access to this file.

ADDITIONAL ITEMS...“F.Y.I.”

- (f) Safety Link Bioterrorism Resources can be found on the Infonet (UPMC’s intra-net website) at <http://safetylink.infonet.upmc.com>
- (g) The Physician Portal will be of benefit to you for contact management. It contains contact information on thousands of local providers, as well as all residents & fellows. It has over 400 on-call schedules used in multiple UPMC facilities. Use the ‘internal’ link on the home page when accessing from within the network and the external from outside. <http://physicianportal.upmc.com>
- (h) The “Print on Demand” program allows *physicians* to go to the UPMC Infonet at <http://printondemand.upmc.com> and select pre-printed physician orders to print out for their use. It is convenient and part of our patient safety initiative.
- (i) Other useful information for residents and fellows can be found on the GME Office Infonet website at: <http://gme.infonet.upmc.com>
